Dear Brethren in the LORD,

Praise the LORD! that we have still life and strength to serve Him.

We and my wife were doing encouragement to every church we came through to love and support their pastors, to pray for them to be more useful and powerful to do his duty; not only to his family but to the church as a whole. We don't know when God called us home but we pray until we have life with my wife, to make us a vessel of honor in His name.

With regards to our family we have two (2) grandsons who were already in the ministry and 3 grandsons still studying in Marietta Bible College. One is going to finish one more year and the 2 two or three more years. Please help us to pray about them that they can finish their studies by God's grace and minister in God's work.

We had twenty eight (28) profession of faith. We are thankful brethren that you are with us loving and serving the LORD. Thank you for your support and prayers. We appreciated so much your concern in the ministry.

May God bring back the blessings more and more to your family and to the church.

To God be the glory!

Eph. 4:32 And be ye kind one to another, tenderhearted, forgiving one another, even as God, for Christ's sake hath forgiven you.
